

No Agreement, Geneva Talk on Laos Delayed

By CARL HARTMAN
GENEVA (AP) — Foreign min-
isters of Britain and the Soviet
Union failed today to agree on
arrangements for a 14-nation par-
ley on the future of Laos and de-
cided to postpone formal opening
of the conference. It had been
scheduled to start today.

Western delegates, includ-
ing the Canadians, said a report
received late Thursday night from
the three-nation truce commission
was sufficient to satisfy all con-
cerned and that the conference
could get under way on schedule
this afternoon.

But the word from the U.S.
delegation was that Secretary of
State Dean Rusk and other West-
ern delegates would still have to
study the commission's report be-
fore deciding to join in the con-
ference.

Rusk had insisted he would
have to have proof from the com-
mission that a cease-fire existed
before the United States would
join in the talks, even if it meant
waiting in Geneva until next
week.

Otherwise, Rusk feared, he
would get trapped at the confer-
ence table while the pro-Commun-
ist Pathet Lao rebels fought on-
ward to new gains.

(In Thailand, next door to Laos,
a spokesman at the British Em-
bassy in Bangkok said the truce
commission had verified the
cease-fire.)

Four Arkansas Cities Honored

MEMPHIS (AP) — Four Arkan-
sas cities were honored Thursday
for outstanding industrial achieve-
ments in 1960 at the Memphis
Commercial Appeal's Cotton Car-
nival Luncheon here.
Arkansas City was awarded the
citation for having done the most
in its population class (up to
2,500). Fort Smith won the 15,000
to 60,000 population citation.
Certificates of merit went to
Pine Bluff and Jonesboro, which
made the finals in the area com-
petitions.

Johnson Tells of Agreement in Viet Nam

By SPENCER DAVIS
SAIGON, South Viet Nam (AP) —
Vice President Lyndon B. John-
son said today he had reached
complete agreement with Presi-
dent Ngo Dinh Diem on how the
United States can help South Viet
Nam meet growing Communist
guerrilla attacks.

The program includes increas-
ing the 150,000-man Vietnamese
army and bolstering it and civil
defense forces with additional
U. S. military advisers, but
sources said no American troops
are to be sent to this Southeast
Asian battleground for combat
duty.

Johnson refused at a news con-
ference to discuss figures or
costs. But earlier it was reported
the United States was prepared
to offer Diem \$40 million more a
year in arms aid to increase his
army 20,000 men.

Johnson met with Diem for
nearly three hours this morning.
He then went before the National
Assembly to pledge U. S. support
in helping this pro-Western Asian
ally carry the load of an addi-
tional defense burden to combat
Communist subversion.

By RELMAN MORIN

BANGKOK, Thailand (AP) —
Vice President Lyndon B. John-
son's announcement that the United
States intends to help South
Viet Nam beef up its armed forces
will stiffen anti-Communist back-
bones throughout Southeast Asia.
It is by no means a final answer
to threats of Red expansion.

It may only counterbalance mil-
itarily the rapidly expanding Com-
munist operations in South Viet
Nam.
But psychologically it comes at
a critical time.

Morale sagged badly in Asian
governments committed to the
West after setbacks in Laos. To
them and to some Western ob-
servers it looked as if the "row of
dominoes" pattern was inexorably
developing — first a Communist
takeover in North Viet Nam, then
Laos, then South Viet Nam and
possibly Thailand.

Today's action, together with
President Kennedy's March 23
statement, indicates the United
States is not about to let this vast
rich region go Red without lifting
a finger.

Kennedy said March 23, refer-
ring to Pathet Lao military op-
erations in Laos: "If these attacks
don't stop, those who support a
truly neutral Laos will have to
consider their response."

3 Out of 10 Trucks Haul Illegally

LITTLE ROCK (AP) — More
than 3 out of every 10 trucks on
Arkansas highways are hauling
illegal cargoes, the state Com-
merce Commission says. And the
ratio is increasing.
W. M. Buttram, commission di-
rector, said 137 unlicensed truck
drivers hauling cargoes without
commission authority have been
picked up in Arkansas. He said
only 110 were arrested in the same
period a year ago.
Buttram said the rise probably
is due to a rise in the number of
trucks. He said state laws ex-
empting haulers of unprocessed
agricultural commodities from
regulations enable unethical truck-
ers to bootleg cargoes. About 35.5
per cent of trucks on Arkansas
highways are bootlegging cargoes.
Some truckers load exempt car-
goes at one point and haul them
to a distant city. Then, in order to
avoid returning empty, they con-
tract to haul some other cargo on
the return trip for a small cost.
Buttram said fines for such vio-
lations start at \$100, but most
truckers just forfeit bonds and
continue their trips.
He said the illegal hauling must
be stamped out because it is a
threat to legitimate truckers.

Communism to Win Out, Reds Assured

MOSCOW (AP) — Soviet Premier
Khrushchev reassured his people
once again today that commu-
nism will win a peaceful competi-
tion with capitalism.
"We are certain of the superi-
ority of Marxism and Leninism,"
the Soviet premier told a Commu-
nist party rally in Tbilisi (Tiflis),
"and we are certain that this
superiority will triumph."
He added immediately that it
would be a peaceful triumph.

"I repeat," he said, "that we
are not going to achieve the vic-
tory with the aid of guns."
The party rally was in honor
of the 40th anniversary of the es-
tablishment of the Soviet Repub-
lic of Georgia.

"Why do we tread on the heels
of the United States of America?"
Khrushchev asked. "They are
richer than we are. Why is it that
we are treading on their heels?"
Because, he answered, under
communism all people have equal
opportunities to study and to ad-
vance.

Khrushchev saluted the success-
ful manned American space flight
but said Yuri Gagarin's flight
around the globe had not been
surpassed, that the Americans
had only made a "leap" into
space.

Newsman Crash in Helicopter

VIETNAMESE, Laos (AP) — A
U.S.-piloted helicopter carrying
seven American, Japanese, Brit-
ish and French newsmen crash-
landed in the Communist rebel-
dominated territory north of here
today.
All were rescued half an hour
later without incident or injury.
The group included Associated
Press photographer Fred Waters;
John Dominis, Life magazine pho-
tographer; James Robinson of
NBC; Ronald Preston of the Lon-
don Times; Vital Sacharenko of
the French News Agency; and two
Japanese correspondents, Kenzo
Nozue and Masaji Furuhashi.

The helicopter was with another
flying newsmen to observe report-
ed rebel artillery firing against
Mao tribesmen in the mountain
guerrilla center at Pa Dong near
the Plain des Jarres.
Two helicopters were about 20
miles north of Vietnamese, over
a pocket where Pathet Lao were
reported very strong, when the
engine on one quit at 3,000 feet.
The craft plunged, supported by
free whirling rotor blades as the
pilot guided it to a hard landing
on a rice paddy.

Took the Road Once Too Often

COWLEY, Pa. (AP) — Emmor
Pepper, 82, had traveled the sec-
ondary road in this tiny eastern
Pennsylvania community many
times as a rural mail carrier be-
fore he retired only a year ago.
He was riding along the same
road with his wife, Abbie, 71,
Thursday night. They had started
out from their home in nearby
Granville Summit to attend a
church supper in Windfall, another
hamlet in the area.
But the car missed a sharp
turn and ran into a tree. Pepper
and his wife were killed. The
coroner issued a verdict of acci-
dental death.

Filing Deadline

LITTLE ROCK (AP) — Midnight
next Monday is the deadline for
filing 1960 state income tax re-
turns. The Revenue Department
estimates 125,000 persons will file
this year, many of them electing
to split payments with one-half due
at filing and the other half due
Nov. 15.

Brazil Deals Blow to U.S. in Cuba Case

By EDWARD T. BUTLER
RIO DE JANEIRO (AP) — Brazil-
ian President Janio Quadros
has dealt a stinging blow to Wash-
ington's efforts to enlist Latin
America against the Fidel Castro
regime in Cuba — and at a time
when the United States is gather-
ing up a massive lump of aid
money for Brazil.

In a diplomatic note Wednesday
night defining his government's
position toward Cuba and the
hemisphere, Brazil's new neutral-
ist-line president made clear he
wants the United States to keep
hands off Cuba.

He also made clear that he does
not regard the Castro regime as
a member of the Communist bloc,
as the United States does.
The question now is how many
other South American nations will
take Quadros' viewpoint. If any
other key nations do, any U.S. ef-
fort for collective hemisphere ac-
tion against Cuba seems doomed.

Brazil's position on Cuba, as ex-
plained by Foreign Minister Afonso
Arinos, is to oppose any foreign
intervention, direct or indirect, be
it military, economic or ideologi-
cal.

This could be applied to Red
China or the Soviet Union. But
the tone of the Brazilian note was
clearly against any U.S. interven-
tion.

Quadros took this stand despite
growing pressure from the Ro-
man Catholic Church, big seg-
ments in Congress, intellectuals
and the press to put Brazil on
record in opposition to what many
here consider a Communist re-
gime in Cuba.

But Quadros is also aware of
northeast Brazil — a tremendous
area of impoverishment that has
starved while the country's ruling
class waxed fat.

Washington, finally alarmed at
the threat of a Castro-type revo-
lution in northeast Brazil, is pre-
paring to send several hundred mil-
lion dollars worth of aid to Quad-
ros to help that section. U.S. of-
ficials have emphasized that Quad-
ros would get the money no mat-
ter what position he took on Cuba.
But they obviously expected him
to stay on the fence at least.

He didn't. But until he can start
pouring U.S. dollars into the hun-
gry, poverty-stricken backlands,
he cannot take a stand that even
appears to condemn Castro, the
hero of the downtrodden masses
of Latin America, including
Brazil.

State Share in Bill \$12.8 Millions

WASHINGTON (AP) — Arkan-
sas' share of federal aid to educa-
tion under a bill expected on the
Senate floor Tuesday would be
\$12,859,059.

The Senate Labor Committee
Thursday added \$252 million to
President Kennedy's recommenda-
tions. Arkansas was scheduled to
get \$10,533,444 under the original
proposal. The bill now calls for
a total outlay of more than \$2.5
billion.

The committee left unchanged
the bill's designation that federal
money can be spent by the states
either for teacher salaries or con-
struction.
An equalization formula in the
bill gives poorer states three
times as much per pupil as
richer states. The range is from
\$9.26 per pupil in Connecticut to
\$27.77 in Arkansas, Mississippi
and South Carolina.

Sponsors of the bill did not claim
White House approval of Thurs-
day's changes but they expressed
confidence Kennedy will accept
them.

LITTLE ROCK (AP) — Olin

day presented a \$4,000 check to

director of the Arkansas Founda-
tion of Associated Colleges for the
association's faculty fellowship

tribution by the Rockefeller Broth-

VFW Poppy Day Set for Saturday

The V.F.W. Post 4511 spelled
out the exact channels into
which all funds collected in their
annual Buddy Poppy drive would
be diverted. They are making
this statement so that all citi-
zens of Hope would know just
where their money was going.
All Buddy Poppy funds are
regulated by the national by-laws.
Disbursements are strictly con-
fined to the following purposes:
"For the aid, relief and com-
fort of disabled and needy vet-
erans, their widows and orphans."
"For maintenance of the V.F.W.
national home for widows and or-
phans of veterans at Eaton Rap-
ids, Mich."
"For hospital assistance and
entertainment for needy veterans."
"For rehabilitation, welfare and
service work with the veterans
administration."
"For necessary expenses for
military funerals."

In each community more than
one half of the funds received are
used for local veteran wel-
fare work. Our local post's major
project is each year carrying
10,000 pounds of watermelons to
the veterans at Fort Rooks Hos-
pital at Little Rock. Their aux-
iliary uses its portion of funds
for local charity work.

Buddy Poppy day has been
set in Hope for May 13. It is
expected that all patriotic citi-
zens of our community will want
to help those who helped us in
time of need.

26 Witnesses Questioned By Grand Jury

The Hempstead County Grand
Jury spent a full day yesterday
in the examination of twenty-six
witnesses and in perfecting the
organization of the jury. Duffie
Booth was appointed by Judge
Lyle Brown to serve as foreman
and the jury selected Guy Grigg
as clerk.

Prosecuting Attorney Royce
Weisenberger petitioned Judge
Brown for authority to appoint
an additional deputy prosecuting
attorney for Hempstead County
to serve during the tenure of the
present Grand Jury. The present
deputy, John L. Wilson, asked to
be permitted to disqualify in this
particular work.

He based his request on his
close association with present and
past county officials, some of
whom he has represented in pri-
vate employment. Mr. Wilson
said these facts "might raise
some doubt in the minds of other
people as to whether or not I
could, with all diligence, present
matters that might be necessary
to be presented to the forthcom-
ing Grand Jury."

Wilson's reference was to the
duty of the Grand Jury to in-
quire into the willful and corrupt
misconduct in office of public of-
ficers of every description in the
county.

Judge Brown approved of the
appointment of a special deputy
and Weisenberger immediately
selected Attorney James Pilkinton
to serve in this capacity. Pilkinton
has been serving as legal
counsel to a committee of citi-
zens who recently completed a
private audit of the county ac-
counts.

In recommending his appoint-
ment, Weisenberger stated that
Pilkinton "has an intimate un-
derstanding of this audit and be-
ing a former prosecuting attor-
ney and chancery judge is cer-
tainly well qualified."

At the conclusion of the day's
work the jury agreed to meet
back on May 24 to continue their
work. Their preliminary report
filed with the court is as follows:
To Hon. Lyle Brown, Judge of
the Circuit Court of Hempstead
County:

Your Grand Jury for the pres-
ent term of this court held its
first meeting on this day and beg
leave to report as follows:
The following committees have
been selected from among our
membership:

Committee on Law Enforce-
ment: Bill Eiler, Roy Fry, Slo-
man Goodlett, John Hawkins, El-
mer Neighbors.

Committee on County Prop-
erty: R. D. Huffman, Harold
Bobo, Ralph Montgomery, I. A.
Whitely, Frank King.

Committee on County Officers:
Herbert Burns, Guy Grigg, Milam
Green, B. G. Hopson, J. H. In-
gram.

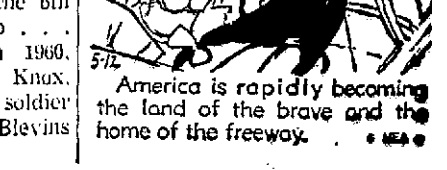

Each committee will investi-
gate the subject-matter indicated
by the title of the committee. On
the 24th day of May, 1961, the
Grand Jury will again meet as a
whole and for the following pur-
poses:

1. To receive the reports of the
various committees and to take
action thereon;
2. To hear any witnesses sub-
poenaed to appear and to receive
any information which any pub-
lic official or private citizen de-
sires to place before the Grand
Jury upon any subject over
which this body has jurisdiction.

We would suggest that the per-
sonnel of our respective commit-
tees be made public, as well as
the Grand Jury. This is suggested
in the hope that any person who
desires to contact any committee
member, or appear before the
Grand Jury, will have this infor-
mation. We not only invite the
cooperation of all law-abiding citi-
zens but we urge them to work
with us on any subject or matter
over which we have jurisdiction.

Respectfully submitted in open
court on this 11 day of May, 1961,
Duffie Booth
Foreman

DOROTHY DIX

Is Love Enough?

By HELEN WORDEN ERSKINE

Dear Helen: I am to be graduated from high school this month. Music is my major. I have dated for two years a wonderful young man who is 20. I am 17. He, too, is a musician. We plan to marry in the fall. He has enlisted in the Air Force and will be based next September in Texas. He says he can't leave me here. I feel I can't let him. Neither one of us has much money. I could teach piano. How does one go about getting a job away from home? Can we hope to be happy under the circumstances? —In Love

Dear In Love: James Barrie said, "Let no one who loves be called altogether unhappy." Of course you can be happy, no matter what the circumstances, if you and your boy friend sincerely love one another.

As for finding work among strangers, that again depends upon you. Be outgoing. Play for others. Show them how much music enriches life. Before you know it they'll be asking you to teach them and their children the piano.

Dear Helen: I have been on restrictions since November. I was first grounded because I stayed out till 2 a. m. I went to a football game with two girl friends, then to a drive-in restaurant because everyone was going there to celebrate. After that I went to my girl friend's house, then home. We didn't do anything wrong but I could understand my parents' worry.

While still on restriction I started going with a sweet guy. I got off in January so he and I double-dated with my girl friend and her boy friend. We stopped for a soda and got home 20 minutes late and I was restricted another month. Then my father grounded me for three weeks because I walked my boy friend to the car. Now I'm grounded again! My brother doesn't get this treatment. Mother says that's because he doesn't have to be chaperoned. He is 14; I am 16. Please help me. I would also like your advice on what time I should be in when I go to a dance. —C. R.

Dear C. R.: No 16-year-old girl should stay out till 2 a. m. unless the occasion be special and she well-chaperoned. Double-dating is not a substitute for a chaperone. Most school dances are over at 12, or 1 at the latest. For the

proms, of course, the custom has grown for groups of young people to go to restaurants and parties following the dance. This occurs only once a year and is the only occasion where it is excusable for a girl your age to be out later than 1 o'clock.

Dear Helen: I take in all the school activities, including cheer leading. The boy I like is popular too but has fallen in with the wrong crowd. His sister, a senior, has a bad reputation too. He isn't like her at all. Should I forget him because of his reputation? —J. H.

Ike, Former Aid Talk Over Conditions

By JACK BELL
GETTYSBURG, Pa. (AP)—Former President Dwight D. Eisenhower gathered a score of former Cabinet members and top aides around him today for a discussion of world conditions and ways of strengthening the Republican party.

He was host to former associates of his presidential administration, who came in from all sections of the country.

They met with him in a brick building on the edge of the Gettysburg College campus, in which he now maintains offices.

The meeting was much like one of hundreds of Cabinet meetings that had taken place during Eisenhower's eight years in the White House.

Many of the associates of that period were seated at a U-shaped table, with Eisenhower behind a desk at the open end of the U.

On his right, the former president seated Lewis E. Strauss, who served as chairman of the Atomic Energy Commission and as secretary of commerce until his nomination for the latter post was rejected. On Eisenhower's left was Charles E. Wilson, his colorful first secretary of defense.

Mayo did not disclose his future plans. He has edited the Graphic since 1949 when he bought it from Mrs. Effie Giacomini, widow of T. P. Giacomini, who founded the paper. Mrs. Giacomini will continue with the paper.

Spaceman's Extra Pay Was \$14.38

WASHINGTON (AP)—Cmdr. Alvin B. Shepard Jr. earned an extra \$14.38 for riding a rocket into space last Friday.

As a commander on flying duty, Shepard is entitled to an extra \$230 a month. He has to fly four hours a month for it.

His space voyage—302 miles down the Atlantic from Cape Canaveral, Fla.—took 15 minutes. Thus, he earned one-sixteenth of his flight pay for May, or \$14.38.

Shepard gets no special compensation for serving as an astronaut. In a sense, he flew so fast Friday it cost him money.

Feel Like Giving More to Uncle Sam

WASHINGTON (AP)—In a gift giving mood? Feeling sorry for Uncle Sam because of his burdensome \$288 billion national debt?

The House is out to help you. By a voice vote it passed a bill Wednesday to authorize the government to accept gifts of money or other property to be used specifically to reduce the debt.

The money, or proceeds from sale of other gifts, would go into a special account used to retire government obligations.

The bill goes on to the Senate, where a similar House-passed bill died last year.

Railway Has New Troubles

HARRISON, Ark. (AP)—The Arkansas & Ozark Railroad, put out of business more than a year ago by a track washout, suffered another blow from floods over the weekend.

Lon Holder, A&O manager in Harrison, said a flash flood which devastated Harrison washed out a trestle along Crooked Creek and that floods destroyed four other bridges in the Eureka Springs area.

The A&O hasn't operated since the spring of 1960, when floods damaged some trackage.

It recently got Interstate Commerce Commission approval to abandon service on its 71-mile line from Harrison to Seligman, Mo.

South Viet Nam's position is far more dangerous than that in Laos. More men are involved and the dimensions of the Communist threat are greater.

A cruel war has been raging there for seven years.

Last fall in an interview with this correspondent, President Ngo Dinh Diem outlined the grim details of fighting in the delta south of Saigon. He said he needed 40,000 more men to clean out the Communists. Incidentally, he has been saying that since 1957 when he talked in Washington.

South Viet Nam maintains an army of 150,000 men. There are perhaps 10,000 Vietcong irregulars operating in the delta region. Why can't the government forces with 15-1 superiority handle the problem?

There are three principal reasons—terrain, the ill-defined border with Cambodia, and Communist supply lines by sea and land that at best will be hard to choke off.

The delta area is half water, half land. It is crisscrossed with canals, marshes, swamps and lush jungle. Poor roads inhibit quick movement. The jungle provides hiding places.

This is a battleground tailor-made for hit and run operations. Guerrillas strike at a chosen objective and disappear before army pursuers can arrive on the scene. Superior weapons are of little use in such terrain.

Rules Bond Fund Can Be Spent

LITTLE ROCK (AP)—The city of Calico Rock can spend \$700 left in a bond fund to build a meeting place for the City Council, the attorney general's office ruled today.

Recorder E.E. McCormick of Calico Rock had asked if the city could spend money left from a bond issue floated to buy fire equipment for a council hall if the council gave up its present meeting place to house the fire truck.

In an opinion to L. Cameron, vice president for finance at Arkansas State College at Jonesboro, the attorney general's office outlined rules for computing bid preference given Arkansas contractors on public contracts.

The opinion said 5 per cent of the lowest Arkansas bid should be deducted from that bid to get the adjusted figure. If the adjusted figure is lower than the lowest out of state bid, the contract goes to the Arkansas firm.

Porkers Set for Game to End Spring Training

LITTLE ROCK (AP) —Quarterback Billy Moore and his Arkansas Razorback White team may be the first football unit in Porker history to lose an overtime football game.

Saturday night they get a chance to make up for it.

The Whites face quarterback George McKinney and his Red unit in the team's second and last intra-squad football season. It will close a profitable spring training season for the Hogs.

McKinney's Reds beat the Whites 34-28 last Saturday in Fayetteville in the first Red-White game. Halback Paul Dudley ran 90 yards on a punt return for the winning touchdown. He did it in an extra sudden-death period ordered by Coach Frank Broyles when the regular game ended in a 28-28 tie.

Broyles doesn't expect the score to be quite that high this week, but he does expect an equally close game. The coach, who has maneuvered the Hogs to two straight Southwest Conference championships, will be in the War Memorial Stadium press box watching his assistants direct the balanced teams.

After last week's salty offensive show, the Razorbacks have stressed defense in three tough workouts. They get today off, and board buses at 1 p.m. Saturday for the trip to Little Rock. Broyles flew to Houston Thursday to attend the Southwest Conference's spring meeting. He'll join the Hogs in Little Rock.

Moore will again have Darrell Williams and Harold Horton as his halfbacks and Jesse Branch at fullback. McKinney will have Fred Melder and Dudley at halfbacks and Jim Worthington at the fullback spot.

Some of the Hogs' big names, including All-SWC halfback Lance Alworth and All-SWC end Jimmy Collier, were excused from spring practice and won't be in action.

Fullback Frank Blew of Fayetteville has been moved up to the number three fullback spot, replacing Mickey Cissell.

Last week's passing duel may be repeated. McKinney's ends will be Hoover Evans and Jim Grizzle, and Moore's receivers will be Tim Langston and M.H. Levine.

Detroit Tigers Can't Seem to Do Wrong

By ED WILKS
Associated Press Sports Writer

Detroit's no longer tepid Tigers, who have won eight out of nine on the road so far, start an 18-game tour with a 2½-game lead in the American League race tonight when they open a four-game series at New York against the second place Yankees.

If this grand circuit trip — through the East and the Midlands en route to the West Coast — is to test Detroit's pennant potential, an ingredient the Tigers haven't made pay off since 1945, they couldn't have picked a better place to start. The defending champion Yankees have won six in a row at home since an opening defeat by Minnesota.

In the National League, where San Francisco leads Los Angeles by one game, the Giants open a brief home stand against Milwaukee and southpaw Warren Spahn. Right-hander Sad Sam Jones (3-1) goes for San Francisco.

Right-hander Frank Lary (4-1) is manager Bob Scheffing's starting choice against the Yankees and right-hander Art Diltmar (2-1). Lary's magic against New York set up Detroit's seventh defeat in 25 games Thursday, however. Scheffing held back his ace, giving bullpen man Bill Fischer, Lary's regular place in the rotation, and Washington belted the Tigers 9-4.

Baltimore got past Minnesota 8-7 in the only other game scheduled in the majors.

The Senators busted loose for six runs in the fifth inning at Detroit with Billy Klaus socking the second grand slam home run of his career. Gene Woodling and Dale Long also homered for the Senators.

Baltimore broke up a 2-2 tie at Minnesota with a five-run fifth, getting three on Jim Gentile's double. But it was a bases-loaded walk by reliever Paul Giel in the eighth that gave the Orioles the run they needed. Camilo Pascual (2-3) lost his third in a row. Steve Barber (4-2) won it, with relief help from Hoyt Wilhelm. Don Mincher homered for the Twins.

Records May Fall in SW Track Events

HOUSTON (AP) — Southwest Conference stars today began a major attack on 11 of 16 existing track and field records.

Baylor, the defending champion, rated a narrow edge over Texas as preliminaries were held for the two-day meet.

The first final event, the javelin throw, was expected to give the Longhorns an early lead. Texas was conceded an excellent chance of grabbing at least 11 of the 15 javelin points in the lone final event on today's schedule.

Existing records for eight events have been bettered in season performances. Record times for three other events have been equaled. Should season performances prevail, Baylor would edge the Longhorns, 67 to 63½. Only a few upsets or surprises for fourth and fifth places could determine the winner.

Season performances favor Rice as the runnerup with 39 points. Southern Methodist follows with 36. Texas A&M 26, Texas Tech 19½, Texas Christian 11, and Arkansas 7.

Explorers William Dunbar and Dr. George Hunter, who began their voyage up the Ouachita river in 1804, spent a month at Hot Springs examining the thermal waters and recommending the area.

Flowers' Homer Helps State Win

MAGNOLIA, Ark. (AP) —Southern State slammed across 18 runs

in the first game of an Arkansas Intercollegiate Conference baseball doubleheader Thursday with Arkansas A&M and the game was called at the end of five innings with the score 18-4.

The nightcap was also taken by Southern State, 8-1.

The first slugfest was called by mutual agreement of both teams with the Mulderiders not taking

their fifth inning at bat.

In the second game, freshman pitcher Bill Baker, aided by home runs by Charles Flowers and Kenneth Hatcher, went the route for the victory.

The number of Negro slaves in Arkansas rose from 4,576 in 1830 to 47,100 by 1850.
